(entries should be arranged separately with the Secretary)

I, ..... would like to use .....(boat name) to compete at.....(event) on .....(date).

I would like to compete for.....(club), in.....(status/category).

I am aware that:

- For fine boats, general committee approval to use a particular boat must be arranged separately
- All scullers must be approved boat users, and be named above
- The club has policies relating to use of Club equipment whilst competing for other clubs
- I am responsible for care of the equipment during and in transit to, and from, the event
- I am not permitted to let anyone else use the equipment, unless they too have Committee approval.
- I realise that taking equipment away deprives other members of the chance to use it.
- I must ensure that the boat is washed, rigged and returned to its rack, with seat & blades, a.s.a.p.
- I will sign the boat out in the book, indicating when it will return
